\$21.75

### Nose:

- Pear
- Lemon
- Custard
- Honey suckle
- Rich vanilla

### Palate:

- Guava
- Asian pear
- Baked apple

### Vintage Notes:

2016 started about 3 weeks early, just like 2015 but come July the head ended and we slowly ripened ending the season slightly later than normal. It was a great year for whites and great for reds if they were cropped accordingly.
